## IE Renewable Business Meet Overview-

Growing Together' is powerful. There is synergy that facilitates transformation and possibilities to reach higher levels. Thus, A And A Media has organised the IE Renewable Business Meet exclusively for Renewable & EV industry. We believe that this initiative would provide a suitable platform for industry professionals to exchange ideas, technologies and businesses, enabling them to grow together. To motivate individuals and organisations, IE would be awarding the deserving ones. IE also aims at giving opportunities to Indian companies to reach the global market with our affordable and effective Bxchange I2G plan.

The IE Renewable Business Meet is estimated to attract over 150+ solar and EV industry professionals from around the country. An opportunity to exchange the businesses, ideas and technologies.

IE Renewable Business Meet aims to bring the Industry face-to-face with the trade, and the business professional with the requisite purchasing power and quality business network.

The event will be at the center of business at a five star hotel, to give better experience to industry professionals.

Appreciation awards for excellence in the Solar and EV industry.

The official event catalogue enlists the profile and contact details of the participating companies. The Show Directory is produced by Industrial Outlook™ and can be received at the venue along with a media kit during the event or request for digital copy registration onsite.
