Success Story of IE Renewable Business Meet, 2023 - Gujarat

Attention all renewable energy and electric vehicle enthusiasts! Get ready to be blown away by the incredible success story of the 2023 IE Renewable Business Meet, Gujarat hosted by A and A Media Group. This event was a spectacular showcase of the industry's finest, where businesses and professionals came together to share their ideas and grow their networks.

The IE Renewable Business Meet was a resounding success, with over 220 Solar and EV Industry professionals from across the country in attendance. The event was a perfect blend of business and pleasure, as attendees were treated to a five-star experience in a luxurious hotel - Hyatt Centric - Ahmedabad, Gujarat

The event was jam-packed with excitement, featuring guest speakers who shared their invaluable insights with the audience. But the highlight of the event was undoubtedly the recognition awards presented to the industry's deserving candidates. It was truly inspiring to see the best and brightest in the industry being honoured for their excellence.

The event catalogue was also a major hit, providing participants with profiles and contact details of all participating companies. Additionally, attendees received the Industrial Outlook™ show directory and a media kit, making it an exceptional opportunity to grow their business.

Overall, the IE Renewable Business Meet was a grand success, bringing together to the Renewable Energy, Electric Vehicle Industry, Waste Energy, Green Hydrogen, and Sustainable Manpower etc. It was an incredible experience that left a lasting impression on all those who attended.
